

## Welcome to The Cast Stone Company

Founded in 1999 The Cast Stone Company Ltd is a leading supplier to the building industry, with 2 working directors taking their knowledge and professionalism from years within the cast stone industry.

The Cast Stone Company Ltd offers a full design service with joiners capable of making the most intricate moulds, whether refurbishing a period house or concentrating on new build we have the capability to satisfy each and every customers needs. With recent expansion in progress at our Halifax works we can take on the projects of major house builders and contractors. Irrelevant how large or small we are confident you will receive the very best in product and service when placing an order with The Cast Stone Company.

We currently have several representatives operating throughout England and many agents promoting our products who are ready to visit you to discuss your requirements. We can provide our customers with a 8 sample board to choose your shade along with our technical manual. Don't be alarmed if your requirements are not found within our brochure, as we will give 100% into making either new moulds or adapting moulds to suit your needs.

As an up and coming company we are actively striving to provide the best possible product and service all customers expect and deserve. With continued development, new ideas and expansion in progress, we hope to be able to increase our customer base by offering full technical service to those who require assistance and providing our customers with a friendly yet efficient service, making placing an order easy and competitive.
